BRIDGE DECK REPLACEMENT ON NH ROUTE 25 IN HAVERHILL
WORK ON BRIDGE OVER MORRIS BROOK WILL REQUIRE SINGLE LANE

The New Hampshire Department of Transportation announces bridge deck replacement work will begin Wednesday, November 19, 2003 on the NH Route 25 bridge over Morris Brook in Haverhill.

This eight-week project, which will also include repairs to the bridge abutments, will require single lane traffic. Daily work hours will be from 7:00 AM until 3:00 PM.

Warning signs, barrels, cones, stop signs and flaggers will be used to control traffic. Motorists driving on NH Route 25 in Haverhill are asked to use caution when proceeding through the work zone.

In the event of inclement weather, work will be postponed until the following workday.
